In opinia noastra, informatiile supuse auditului cuprinse in elementele relevante ale Raportului privind solvabilitatea si situatia financiara a Societatii la data de 31 decembrie 2020, sunt intocmite, in toate aspectele semnificative, in conformitate cu cerintele de raportare financiara ale Legii nr. 237/2015 privind autorizarea si supravegherea activitatii de asigurare si reasigurare cu modificarile si completarile ulterioare si ale Normei Autoritatii de Supraveghere Financiara nr. 21/ 2016 privind raportarile referitoare la activitatea de asigurare si/sau de reasigurare, cu modificarile si completarile ulterioare.

## Baza opiniei

Am desfasurat auditul nostru in conformitate cu Standardele Internationale de Audit ("ISA"). Responsabilitatile noastre in baza acestor standarde sunt descrise detaliat in sectiunea "Responsabilitatile auditorului intr-un audit al elementelor relevante ale Raportului privind solvabilitatea si situatia financiara" din raportul nostru. Suntem independenti fata de Societate, conform Codului Etic al Profesionistilor Contabili (inclusiv Standardele Internationale privind Independenta) emis de Consiliul pentru Standarde Internationale de Etica pentru Contabili („codul IESBA”) si conform cerintelor de etica profesionala relevante pentru auditul elementelor relevante ale Raportului privind solvabilitatea si situatia financiara din Romania, si ne-am indeplinit responsabilitatile de etica profesionala conform acestor cerinte si conform codului IESBA. Credem ca probele de audit pe care le-am obtinut sunt suficiente si adecvate pentru a furniza o baza a opiniei noastre.

## Evidentierea unor aspecte – bazele intocmirii

Atragem atentia asupra sectiunilor "Evaluarea din punctul de vedere al solvabilitatii" si "Gestionarea capitalului" din cadrul Raportului privind solvabilitatea si situatia financiara, care descriu bazele intocmirii. Raportul privind solvabilitatea si situatia financiara este intocmit in conformitate cu cerintele de raportare financiara ale Legii nr. 237/2015 privind autorizarea si supravegherea activitatii de asigurare si reasigurare cu modificarile si completarile ulterioare si ale Normei Autoritatii de Supraveghere Financiara nr. 21/2016 privind raportarile referitoare la activitatea de asigurare si/sau de reasigurare cu modificarile si completarile ulterioare, si, prin urmare, in conformitate cu un cadru de raportare financiara cu scop special. Raportul privind solvabilitatea si situatia financiara trebuie publicat, iar utilizatorii vizati includ, dar nu se limiteaza la Autoritatea de Supraveghere Financiara. In consecinta, este posibil ca Raportul privind solvabilitatea si situatia financiara sa nu fie adecvat in alt scop. Opinia noastra nu este modificata cu privire la aceste aspecte.

## Alte informatii

Conducerea este responsabila pentru alte informatii. Alte informatii cuprind urmatoare sectiuni din Raportul privind solvabilitatea si situatia financiara:

- Activitatea si performanta
- Sistemul de guvernanta
- Profilul de risc
- Evaluarea din punctul de vedere al solvabilitatii

Opinia noastra cu privire la elementele relevante ale Raportului privind solvabilitatea si situatia financiara nu acopera si acele alte informatii si nu exprimam niciun fel de concluzie de asigurare cu privire la acestea.

In legatura cu auditul elementelor relevante ale Raportului privind solvabilitatea si situatia financiara, responsabilitatea noastra este sa citim acele alte informatii si, in acest demers, sa apreciem daca acele alte informatii sunt semnificativ inconsecvente cu elementele relevante ale Raportului privind solvabilitatea si situatia financiara sau cunostintele pe care noi le-am obtinut in decursul auditului, sau daca ele par a fi denaturate semnificativ. In cazul in care, pe baza activitatii efectuate, concluzionam ca exista o denaturare semnificativa a acestor alte informatii, ni se solicita sa raportam acest fapt. In aceasta privinta, nu avem nimic de raportat.

## **Responsabilitatile conducerii si ale persoanelor responsabile cu guvernanta pentru Raportul privind solvabilitatea si situatia financiara**

Conducerea Societatii este responsabila pentru intocmirea Raportului privind solvabilitatea si situatia financiara in conformitate cu cerintele de raportare financiara ale Legii nr. 237/2015 privind autorizarea si supravegherea activitatii de asigurare si reasigurare cu modificarile si completarile ulterioare si ale Normei Autoritatii de Supraveghere Financiara nr. 21/ 2016 privind raportarile referitoare la activitatea de asigurare si/sau de reasigurare, cu modificarile si completarile ulterioare, si pentru controlul intern pe care conducerea il considera necesar pentru a permite intocmirea Raportului privind solvabilitatea si situatia financiara lipsit de denaturari semnificative, cauzate fie de frauda, fie de eroare.

In intocmirea Raportului privind solvabilitatea si situatia financiara, conducerea este responsabila pentru evaluarea capacitatii Societatii de a-si continua activitatea, pentru prezentarea, daca este cazul, a aspectelor referitoare la continuitatea activitatii si pentru utilizarea contabilitatii pe baza continuitatii activitatii, cu exceptia cazului în care conducerea fie intentioneaza sa lichideze Societatea sau sa opreasca operatiunile, fie nu are nicio alternativa realista in afara acestora.

Persoanele responsabile cu guvernanta sunt responsabile pentru supravegherea procesului de raportare financiara al Societatii.

## **Responsabilitatile auditorului intr-un audit al elementelor relevante ale Raportului privind solvabilitatea si situatia financiara**

Este responsabilitatea noastra sa formam o opinie independenta cu privire la intocmirea, in toate aspectele semnificative, a elementelor relevante ale Raportului privind solvabilitatea si situatia financiara, in conformitate cu cerintele de raportare financiara ale Legii nr. 237/2015 privind autorizarea si supravegherea activitatii de asigurare si reasigurare cu modificarile si completarile ulterioare si ale Normei Autoritatii de Supraveghere Financiara nr. 21/ 2016 privind raportarile referitoare la activitatea de asigurare si/sau de reasigurare, cu modificarile si completarile ulterioare.

Obiectivele noastre constau in obtinerea unei asigurari rezonabile privind masura in care elementele relevante ale Raportului privind solvabilitatea si situatia financiara, in ansamblu, sunt lipsite de denaturari semnificative, cauzate de frauda sau de eroare, precum si in emiterea unui raport al auditorului care include opinia noastra. Asigurarea rezonabila reprezinta un nivel ridicat de asigurare, dar nu este o garantie a faptului ca un audit desfasurat in conformitate cu ISA va detecta intotdeauna o denaturare semnificativa, daca aceasta exista. Denaturarile pot fi cauzate fie de frauda, fie de eroare si sunt considerate semnificative daca se poate preconiza, in mod rezonabil, ca acestea, individual sau cumulativ, vor influenta deciziile economice ale utilizatorilor, luate in baza acestor elemente relevante ale Raportului privind solvabilitatea si situatia financiara.

Ca parte a unui audit efectuat in conformitate cu ISA, exercitam rationamentul profesional si ne mentinem scepticismul profesional pe parcursul auditului. De asemenea:

- Identificam si evaluam riscurile de denaturare semnificativa a elementelor relevante ale Raportului privind solvabilitatea si situatia financiara, cauzata fie de frauda, fie de eroare, proiectam si executam proceduri de audit ca raspuns la respectivele riscuri si obtinem probe de audit suficiente si adecvate pentru a furniza o baza pentru opinia noastra. Riscul de nedetectare a unei denaturari semnificative cauzate de frauda este mai ridicat decat cel de nedetectare a unei denaturari semnificative cauzate de eroare, deoarece frauda poate presupune complicitate, fals, omisiuni intentionate, declaratii false si eludarea controlului intern.
- Obtinem o intelegere a controlului intern relevant pentru audit, in vederea proiectarii de proceduri de audit adecvate circumstantelor, dar fara a avea scopul de a exprima o opinie cu privire la eficacitatea controlului intern al Societatii.
- Evaluam gradul de adecvare si rezonabilitate al elementelor relevante ale Raportului privind solvabilitatea si situatia financiara si al prezentarilor de informatii aferente realizate de catre conducere.

- Concluzionam cu privire la gradul de adecvare a utilizarii de catre conducere a contabilitatii pe baza continuitatii activitatii si determinam, pe baza probelor de audit obtinute, daca exista o incertitudine semnificativa cu privire la evenimente sau conditii care ar putea pune in mod semnificativ la indoiala privind capacitatea Societatii de a-si continua activitatea. In cazul in care concluzionam ca exista o incertitudine semnificativa, trebuie sa atragem atentia in raportul auditorului asupra prezentarilor de informatii aferente din elementele relevante ale Raportului privind solvabilitatea si situatia financiara sau, in cazul in care aceste prezentari sunt neadecvate, sa ne modificam opinia. Concluziile noastre se bazeaza pe probele de audit obtinute pana la data raportului auditorului. Cu toate acestea, evenimente sau conditii viitoare pot determina Societatea sa nu isi mai desfasoare activitatea in baza principiului continuitatii activitatii.

Comunicam cu persoanele responsabile cu guvernanta, printre alte aspecte, cu privire la aria planificata si programarea in timp a auditului, precum si principalele constatari ale auditului, inclusiv orice deficiente semnificative ale controlului intern, pe care le identificam pe parcursul auditului.

<sup>1</sup> TRANSLATOR'S EXPLANATORY NOTE: The above translation of the auditors' report is provided as a free translation from Romanian which is the official and binding version and refers to the Romanian official version of the relevant elements of the Solvency and Financial Condition Report.

## Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the relevant elements of the Solvency and Financial Condition Report section of our report. We are independent of the Company in accordance with *International Ethics Standards Board for Accountants Code of Ethics for Professional Accountants (including International Independence Standards)* ("IESBA Code") together with the ethical requirements that are relevant to our audit of the relevant elements of the Solvency and Financial Condition Report in Romania, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

## Emphasis of Matter - Basis of Preparation

We draw attention to the 'Valuation for solvency purposes' and 'Capital Management' sections of the Solvency and Financial Condition Report, which describes the basis of preparation. The Solvency and Financial Condition Report is prepared in compliance with the financial reporting provisions of the Law 237/2015 regarding authorization and supervision of the insurance-reinsurance activity with related amendments and with Financial Supervisory Authority Norm 21/2016 regarding insurance-reinsurance activity reporting with related amendments, and therefore in accordance with a special purpose financial reporting framework. The Solvency and Financial Condition Report is required to be published, and intended users include but are not limited to the Financial Supervisory Authority. As a result, the Solvency and Financial Condition Report may not be suitable for another purpose. Our opinion is not modified in respect of these matters.

## Other Information

Management is responsible for the Other Information. Other information comprises the following sections from the Solvency and Financial Condition Report:

- Business and performance
- System of governance
- Risk profile
- Valuation for solvency purposes
- Capital management
- Template S.05.01.01 Premiums, claims and expenses by line of business
- Template S.17.01.02 Non-life technical provisions
- Template S.19.01.01 Non-life insurance claims

but does not include the relevant elements of the Solvency and Financial Condition Report and our audit report thereon.

Our opinion on the relevant elements of the Solvency and Financial Condition Report does not cover the Other Information and, we do not express an audit opinion or any form of assurance conclusion thereon.

In connection with our audit of the relevant elements of the Solvency and Financial Condition Report, our responsibility is to read the Other Information and, in doing so, consider whether the Other Information is materially inconsistent with the relevant elements of the Solvency and Financial Condition Report, or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the relevant elements of the Solvency and Financial Condition Report or a material misstatement of the Other Information. If, based on the work we have performed, we conclude that there is a material misstatement of this Other Information, we are required to report that fact. We have nothing to report in this regard.

## **Responsibilities of Management and Those Charged with Governance for the Solvency and Financial Condition Report**

Management is responsible for the preparation of the Solvency and Financial Condition Report in accordance with the financial reporting provisions of the Law 237/2015 regarding authorization and supervision of the insurance-reinsurance activity with related amendments and Financial Supervisory Authority Norm 21/2016 regarding insurance-reinsurance activity reporting with related amendments, and for such internal control as management determines is necessary to enable the preparation of a Solvency and Financial Condition Report that is free from material misstatement, whether due to fraud or error.

In preparing the Solvency and Financial Condition Report, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process.

## **Auditor's Responsibilities for the Audit of the relevant elements of the Solvency and Financial Condition Report**

It is our responsibility to form an independent opinion as to whether the relevant elements of the Solvency and Financial Condition Report are prepared, in all material respects, with financial reporting provisions of the Law 237/2015 regarding authorization and supervision of the insurance-reinsurance activity with related amendments and Financial Supervisory Authority Norm 21/2016 regarding insurance-reinsurance activity reporting with related amendments on which they are based.

Our objectives are to obtain reasonable assurance about whether the relevant elements of the Solvency and Financial Condition Report are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but it is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the decision making or the judgment of the users taken on the basis of the Solvency and Financial Condition Report.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the relevant elements of the Solvency and Financial Condition Report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness and the reasonableness of the relevant elements of the Solvency and Financial Condition Report and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the relevant elements of the Solvency and Financial Condition Report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
